Dear Roo:

WMHC is planning to reorganize many aspects of its set-up in the near future. I am writing to you in hopes that you might be able to help us in planning this by answering some questions about your own organization. Here are some of the things I would like to know: A detailed description of the organization of your station, the type of boards and the amount of power they hold, and the type and number of officers and functions of their positions; the method of selecting or electing officers and members; and the method of training new members (is this directed by one person and is the trainee required to learn all aspects of broadcasting?).

Thank you very much. Your help is greatly appreciated and if you could send us this information before Feb. 1st it would be most beneficial.

Sincerely yours,

Lynn M. Davis
